3.2.1 Educational Tour

In our college all departments are participated and organized educational tours

Vasundhara College, Ghatnandur, Geography Department Trip Report (2017-18)

An educational trip was organized by the Geography Department of the college in the academic year 2017-18. The report of that trip is given below. Place of departure of the trip:- In this educational trip, geography students along with the professor of the college's geography department participated. All students and students in the trip Sai Natural Sugar Ltd. An attempt was made to get a large amount of information about the place by visiting Ranjani, as well as Steel Plant Ranjani, an industrial area. How sugarcane is sifted after entering the Sai Natural Sugar factory. How is sugarcane juice heated. After that, it is processed and small sugar is prepared. How is the prepared ripe sugar managed in sacks and godowns. Information about this was obtained by looking very closely. At the same time, the steel plant at the same place was also inspected. To produce iron from the iron fraction in the soil, only the iron part of that soil is separated and different processes are done to produce pig iron at that place. But the impact of environmental pollution on the crops and soil around this steel plant industry was seen.

Educational Tour Report - 2019-2020

The Geography Department of the college was organizing an educational trip in the academic year 2019-20. I am very glad to present the report of that trip.

On 15/06/2020 a one-day educational trip was organized during the current academic year as decided in the meeting chaired by the honorable principal. This educational tour was on 14/02/2020 at Ranjani, Natural Milk Production Factory at Kalamb, Shri Kshetra Tuljapur, History famous Bhuikot Fort, Naldurg. Milk and milk products, installation, production and cost etc. knowledge students and professors learned about it. Shri Kshetra Tuljabhavani of Tuljapur learned the historical information of the holy pilgrimage site and paid obeisance to Mother Tuljabhavani. Later we get information about the historical Bhuikot fort, waterfall, palace and other places. The trip was attended by geography students and undergraduate students along with professors from the geography department of the college. A total of 36 students and 7 professors have participated in this. Under the guidance of the principal, all the students of the trip followed the instructions and tried to study the social life of the place by looking closely at all these places. We travel through Ghatnandur – Ambajogai - Ranjani Milk Factory - Tuljapur - Naldurg on 14th February 2020 at 7 am and returned safely to Ghatnandur at 10 pm on the same day. The report concludes by thanking everyone for their cooperation during the trip.
