#### About Student Mentoring Cell:

The Student Mentoring cell is actively working in our college. Mentoring is a unique method of supporting students to improve their learning and leadership skills, motivating them towards their future career development. Keeping this in mind, the college has established student mentoring cell wherein the faculty members are mentoring to the students and meet the students on day-to-day basis to listen to their issues and guide them on their overall personality development.

The Student Mentoring Cell is energetically working with all college staff, under the guidance of staff with the following primary objectives of enabling constructive interaction with the students.

Objectives of the Student mentoring cell:

- To guide the students to understand the challenges and opportunities present in the college and develop a smooth transition to campus life.
- To counsel academically weak students and to play an important role in helping troubled students cope with academic, extra-academic and personal problems.
- To proactively try to identify problems of the students populace and to bring them to the notice of the concerned authorities.

#### Student Mentoring Cell members:
