Report

The college is always visited by parents and Alumnis. In the college, the students are getting borewell water from the drinking tank but on 03/01/2017 when the current student and former students of the college demanded RO pure water, the college administration took note of it and provided pure drinking water on 10/02/2017. The college knows that the number of girls studying in this college in rural areas is significant. The former students and parents complained about it on 10/02/2017 as the girls may have made some complaints to their parents regarding the harassment and ragging of the girls. Women Grievance Redressal Committee established. According to the law, all the information regarding this was posted on the digital board in the college. Apart from this, boys and girls were awakened from every class in this regard. For this, instructions were given to some professors for supervision. Information about Damini team and their phone number etc. was given. Along with this, on 03/01/2022, current students and ex-students also filed a complaint regarding filter cooler water demand. Accordingly, the college dt. By completing it on 05/08/2022, service facility has been created in the college. The college has always been functioning as a student hub.
