6.1.2: The effective leadership is visible in various institutional practices such as decentralization and participative management.

The Motto: "Education for Success"

Vision - 'Pursuit of Excellence through education' Mission:

1. Building up socially productive, healthy and optimistic civilians.
2. Acquiring comprehensive competitive skills.
3. Creating quest for knowledge.
4. Empowering women through education.
5. Providing quality education with updated knowledge.

Objectives:

1. To cultivate good habits and discipline among students.
2. To create thirst for knowledge.
3. To motivate students for their continuous personal and professional growth.
4. To encourage the students for higher education.
5. To make the students competent in all walks of life.
6. To implement national values given in the constitution of India to the possible extent.

The Apex body of Kamdhenu Sevabhavi Sanstha, Ghatnandur, the College Development Committee, Principal, Vice- Principal, IQAC and all college committee members play an important role for designing perspective plans and implementations for teaching learning, research and extension activities.

All the administrative works of the college including NAAC is decentralized and carried out through various committee. All stakeholders such as students, teachers, teaching and non- teaching, alumni, and invited members of society are included in various committee, as in The College Development Committee, IQAC, NSS, and other colleges various committee. In the criterion distribution, each criterion has appointed two coordinators. It is the best example of decentralization and participative management. Decentralized functioning of the institution empowers the quality of institution in all aspects. The faculty members participate in every activity and action plans of the

college. The principal conducts regular meeting with teaching and nonteaching staff for the effective implementations, suggestions/opinions from all members are always welcomed by the college principal. Departmental meeting is taken into consultation with teaching/non-teaching staff. These decisions are reviewed by higher authorities /committees in case of their need. At the beginning of academic year various committees are formed and each committee is being empowered to execute its action plan. These various committee help us decentralize the governance and fulfilled the action according to the vision mission and objectives of the college.
