About Student Mentoring Cell:

The Student Mentoring cell is actively working in our college. Mentoring is a unique method of supporting students to improve their learning and leadership skills, motivating them towards their future career development. Keeping this in mind, the college has established student mentoring cell wherein the faculty members are mentoring to the students and meet the students on day-to-day basis to listen to their issues and guide them on their overall personality development.

The Student Mentoring Cell is energetically working with all college staff, under the guidance of staff with the following primary objectives of enabling constructive interaction with the students.

Objectives of the Student mentoring cell:

- To guide the students to understand the challenges and opportunities present in the college and develop a smooth transition to campus life.
- To counsel academically weak students and to play an important role in helping troubled students cope with academic, extra-academic and personal problems.
- To proactively try to identify problems of the students populace and to bring them to the notice of the concerned authorities.

Student Mentoring Cell members:

Sr.No.	Name	Designation	Branch
1	Dr. Tudme J. V.	Coordinator	B. A.
2	Dr. Kotule B. M.	Coordinator	B. Sc.
3	Dr. More A.M.	Coordinator	B. Com.

Guidelines of the Student Mentoring Cell:

- The student mentoring cell forwards the list of students (Mentee) to the all Department HOD's
- There should be maximum 20-40 mentee per mentor.
- During the course mentor will conduct regular meetings with mentee
- Student Personal counseling is the main role played by each mentor.
- From this mentorship, the issues of the students are resolved by College Grievance Redressal Cell (CGRC) through proper channel.
- Student mentoring cell compile the record from mentors and then submitting to the Principal for further action.
- Student Mentoring annual report should be submitted to the IQAC.

Mentor-Mentee Distribution and Guidelines

Role of the Mentor to students:

- The mentor should conduct regular meetings and discussions on any problem such as academic, financial, psychological, etc. and guiding them accordingly.
- To identify hobbies and fields of their interests
- Guide and motivate to improve student results.
- To conduct counseling sessions for students to build discipline at two meetings per year.
- To encourage among the students for participation in multi-skilled activities.
- Collect suggestions from the student to strengthen the teaching-learning process of the college.
- The mentor should keep the record of all details in the mentoring session.
- The mentor can involve the Parents for reforming of the student with poor performance and indifferent behavior.

Responsibilities of Mentee

- Attend meeting regularly
- Fill the Mentoring form
- Provide details about continuous assessment, term end examination, co-curricular, extra-curricular activities to mentor.
- Seek advice from mentor whenever required.

Student mentoring outcome:

- Student mentoring work helps to students as solving psychosocial problems and also benefited for career guidance, role modeling, and development in communication skills.
- Through Mentor-Mentee interaction, opportunities have been increased to developed thinking ability, speaking and listening skills among the students.
- Mentorship work helps to motivate the students for the participation in various college activities.
