

7.2.1

Describe two best practices successfully implemented by the Institution as per NAAC format provided in the Manual

The best practices in the Institution have promoted the process of developing and maintaining quality in both academic and administrative systems. The Institution has internalized the best practices in order to improve the functioning with student's participation for the quality of education. The administration in the Institution is maintained by the active participation of staff at every level

BEST PRACTICE 1:

Title of the Practice: Summer Sports Coaching Camp

Objective of the Practice:

1. The main objective of the practice is to motivate sports persons.
2. To develop internal, cognitive and extraordinary skills.
3. To improve leadership among the students.
4. To increase students' physical fitness, mental fitness and self-confidence.
5. To nurture healthy and encouraging atmosphere in the vicinity of the college

The context

Under this practice the sports discipline and Health Committee motivates students to participate in the summer coaching camp. Earlier there was no motivation, awareness, interest, internal and external skills. In the area there is not leadership developed among the students to Increase the fitness, mental fitness and self-confidence. The students are also motivated to participate in various sports activities arranged by our College and University.

The practice:

Under this practice six teachers are appointed to operate coaching in this camp. Apart from these two participated students of the College benefitted from this summer camp. We have sports discipline and health committee to prepare the planning of the camp. In spite of this, the students from our college are motivated to participate in the intercollegiate, inter university, state and national level games.

Evidence of success :

In order to make the students active in sports as well as in the walks of life this camp is promoted. The aim of the summer camp is to motivate students in the sports activities. This innovative coaching and practice enhance the student's quality in their life. The succeeded students are being displayed on notice boards So that they could actively participate in such activities. This camp provides opportunity to develop themselves as players, well- nourished human beings and gain physical and mental fitness

BEST PRACTICE 2

Title of the Practice: **Open Art Festival**

Objective of the Practice:

1. To provide open stage for surrounding artistic personnel
2. To encourage insight in the mind of the students
3. To cater confidence in their artistic skill
4. To awaken the artistic power of individuals
5. To maintain cultural heritage of Maharashtra through festival

The context

To run this festival the College established a Cultural Committee. The College informs nearby schools and Institutes to participate in this festival by sending special letters and annual gathering invitation cards. The wide publicity is given in the daily newspapers. Earlier there is no open stage for surrounding artists in the region and no sources were available for student's encouragement and to develop their essential skills. Evaluation is not taken from artistic point of view. The prime concern of festival is that to maintain cultural heritage of the Maharashtra

The practice

In this open stage festival, all teachers deputed to visit at least one school for the invitation. Through this festival we are able to provide open stage to the stakeholders. The College has made an effort to succeed this festival. We appoint examiners for the festival. All the expenses are borne by the College's *Yashwant Pratishthan*, the expenses include prize amount awarded to the winners and participants. The Committee invites and maintains the required applications.

Evidence of success

Because of this open stage run by the Cultural Committee, students are able to participate in various activities and programs at university level and national level. We are creating cultural atmosphere in this area. One of the participants has occupied highest position at international level, above all our Institution getting involved in this festival to get the fruitful results from the open stage festival. The participated students are very successively passed in their respective arts with good efforts. They achieved success at university level. below table showsthe success of best practice and participation of students in various events organized by the university. Due to the NAAC Re-Accreditation Process and peer team visit on 27 Jan. 2024 intuition was not organized best practice “Open Art Festival” as an example of evidence of success students performed excellent in various cultural event during the cultural program. To enhance the armistice skill among the student’s intuition, organize every year best practice open arts festival and cultural events.
